

CURRICULUM VITAE

CONTACT INFORMATION

1. Full Name: Althea Mariel D. Cinco
2. Current Address: Barangay Marigondon, Lapu-Lapu City
3. Mobile Number: 0932 259 2763
4. Email Address: cincoaltheamariel@gmail.com

PERSONAL INFORMATION

1. Date of Birth: June 12, 2006
2. Age: 20 years old
3. Citizenship/Nationality: Filipino
4. Gender: Female
5. Marital Status: Single
6. Language: English, Tagalog, Cebuano
7. Skills:
 - a. Programming Languages: C, C#, Java, JavaScript, SQL, Python
 - b. Frontend Development: HTML, CSS, React.js
 - c. Backend Development: .NET, PHP
 - d. Database & Management: MySQL, PostgreSQL
 - e. Tools & Platforms: Git, Github, Canva
 - f. System Design: ERD, Data Warehousing
 - g. Core IT Concepts: UI/UX Design, Frontend Design, Web Development, Networking, Database Development
 - h. Artificial Intelligence: AI-assisted development, Prompt Engineering

EDUCATIONAL BACKGROUND

1. Education Level

2024 – Present

University of San Carlos – Talamban Campus

Bachelor of Science in Information Technology

Tertiary

2022-2024

Sacred Heart School - Ateneo de Cebu

Accountancy, Business, and Management (ABM)

Senior High School

2. Certifications & Accreditations

2025-12 Cisco Certified Network Associate (CCNA)

2025-12 Datacamp Docker and Kubernetes

2025-12 Datacamp Containerization and Virtualization Concepts

2025-05 Accenture Skills to Succeed Academy – Certificate of Achievement

STRENGTHS/TRAITS & SKILLS

1. Proficient in C, C#, Java, JavaScript, Python, and SQL, comfortable working across object-oriented, procedural, and query-based paradigms.
2. Builds responsive, user-friendly interfaces with HTML, CSS, and React.js, paired with backend systems in .NET and PHP.

3. Applies ERD and data warehousing principles to design clean, reliable databases in MySQL and PostgreSQL.
4. Earned CCNA certification alongside Docker, Kubernetes, and containerization credentials in the same year — on top of a full academic course load.
5. Uses Git and GitHub for version-controlled, team-based development, and Canva to turn ideas into clear visuals for technical and non-technical audiences alike.
6. Actively applies prompt engineering to accelerate and improve day-to-day development workflows.
7. Fluent in English, Tagalog, and Cebuano, enabling smooth collaboration across diverse teams and clients.

CAREER OBJECTIVES

Aspiring Full-Stack Developer who genuinely enjoys learning something new every day — from web development to data analytics. I like figuring out how things work, picking up unfamiliar tools quickly, and turning that curiosity into real, working software or meaningful insights. Looking for a team where I can keep growing, contribute where I can, and build toward becoming a well-rounded developer.
